

## How to find the correct bus information

### **1) Start with the school your student attends**

- a. Lyle Elementary uses bus numbers 1, 2, 9, 12, 13, and 23
- b. Oakdale Elementary uses 4, 5, 6, 8, 10, 14, 16, and 19
- c. Luckiamute Charter – Please check their website for information
- d. Whitworth, LaCreole or Dallas High Schools use all of the Lyle and Oakdale buses. Start with which elementary school your student would attend. The older students are usually on the same numbered bus even if they are not on at the same time.

2) Scan the list for the name of your street.

3) Once you find the street, look for the address closest to your house number.

4) This would be the stop location where your student should catch the bus.

5) The time listed is when the bus should be at the stop.

***6) Students should be at the bus stop 5 minutes before the time listed. This will help so they don't miss the bus.***

7) Afternoon estimated student drop off times are also listed. Please remember that these are only estimates.

Buses will usually run late getting home the first week of school. Please be flexible while waiting for your students.
